2017 saw several changes in the Board's membership. Our treasurer, Gretchen, was unable to continue her duties and Linda Tyria agreed to act as "Interim Treasurer" pending the election of a permanent Treasurer. Susan Metzger was unable to continue with her position on the Board, and Adam Bancroft joined as a "member." Jeff Rebenstorf was elected to replace Joann Munting and continue the rest of her term. The Board approved a measure to make the Executive Director an ad hoc non-voting member, which left another vacancy. We ended the year with two Board vacancies.

Executive Director's Report

Our hearts keep thanking you and thanking you for your overwhelming generosity!

It is heartening, and we are deeply honored, that our supporters have continued to allow us to help our pearls know that God loves them. Our primary mission at Wings of God is to show our "Pearls" the love of Christ Jesus, and to mentor and help them along the way to recovery.

Pearls Highlight

Please join us in celebrating some of the astounding things that God has accomplished through us.

Deb graduated last year, was recommended for our Next Step home, where she now lives, has a full-time job and helps take care of her grandchildren.

Ashley found a job, regained her driver license, bought a car, and just recently was promoted to assistant manager where she works.

Cass lived with us for over a year and completed our 1-year program. Working a full-time job, she has moved into her new nearby apartment.

With your continued support, we will be able to continue to help many of these women not only to meet essential daily needs, but to work toward a brighter future with programs in spiritual growth, education, relationships, learning to provide for themselves and/or their children, and to love well, both of God and others.

Continuing the Mission

Please contact us if you would be our guest to tour the Wings of God house. We are overjoyed to be able to show those in the community where our “Pearls” are having their lives changed. If you have any items you would like to donate or if you are willing to contribute your valuable time to mentor our “Pearls,” please also contact us. They need godly people in their lives, and it is only through your support, both monetary and of time, that we are able to continue the work that God has laid on our hearts.

Please also pray for our “Pearls,” our staff and our Board of Directors. It is only through God’s graces that we can accomplish anything.

May your year be filled with God’s unimaginable blessings.

In His Love, Karina Lamorandier, Executive Director and Co-Founder

Summary Financial report

Total revenue	144,337
Total expenses	147,005
Net deficit	(2,668)

We are a small, yet growing, organization. As such, sometimes we end up having to spend a little more than what comes in the door at a time. This is usually just an issue with cash flow and when donations come in compared to when we must meet financial obligations. We look for ways to cut our spending without impacting our mission. Our funding comes from public donations, church support, and fundraising. We try our best to use our resources wisely to maintain the Wings of God home, provide for our “Pearls” and to provide staff for the organization. For more information, please see our 990.
