

## 2019 Annual Report

# MINISTRY OVERVIEW

2019 was a year of renewal and change. The staff at Wings of God spent a year designing a new point system to integrate into the programming at the home. The purpose of the point system is to help each woman take personal responsibility for their growth and success. The point system highlights what is most important at Wings of God - sharing the saving knowledge of Jesus Christ and discipling women in the word of God. Flowing from that, the points system tracks progress for each woman as she attends life skill classes, learns money management, participates in her addiction recovery, and attends individual counseling and mentoring meetings. The point system was officially implemented in December 2019, and was quickly embraced by the women. They found it motivating, appreciated the daily check list, and being able to tangibly see their progress. This has renewed our program and we are so happy to see the women's self esteem increase as they invest in their life changes. A special thank you to Mike Siver, who is a Christian Life Skills Coach and a volunteer mentor for introducing us to the point system and to Rhonda Cochran, House Manager, who shaped the program to fit this ministry. Everything that we do we strive to do with excellence and with love.

We praise God for being our Provision throughout 2019. It is through the love of Jesus Christ our residents learn the love of God and His amazing Power to heal from within and move mountains!
